WORK EXPERIENCE

Trainee Engineer Suvarchala Solutionzs

08/2022 - Present

Hyderabad

Suvarchala Solutionzs, started with a group of like minded individuals with expertise in subject.

Achievements/Tasks

- I successfully developed a responsive Ready Tensor website using HTML, CSS, Bootstrap, and Material UI. This project involved designing and developing a website that would be visually appealing, user-friendly, and optimized for all devices, from desktops to mobile phones
- As an accomplished developer, I have successfully completed multiple Jira tickets related to implementing static pages such as Home, Business, Developer, Universities, Account Settings, Footer Pages and Documents Pages like Reference Material, Algorithm Category.
- Implemented feature that allows users to select and customize their avatars from a list of available options.
- I have successfully undertaken a data transfer project using migration Sequelize and Express to migrate data from an old database to a new database.
